Save The Date

Milford GAA Health & Wellbeing Committee warmly invites everyone in our community to "Breaking the Silence" Information Night on Wednesday, 18th November at 7:30pm in Mulroy Woods. The evening will explore challenges affecting individuals and families, including alcohol and drug misuse, recognising the signs of mental health difficulties, understanding the risks of gambling, and the positive role sport plays in supporting mental wellbeing. Speakers with lived experience will share their personal stories and recovery journeys, while HSE and mental health professionals will provide practical advice, information on recognising warning signs and guidance on where to access help and support. Brendan Devenney (DL Debate, Highland Radio) will MC the evening. These are issues that affect every family and every community - we urge parents, coaches, volunteers and the wider community to come along, bring a friend and show your support. Let's work together to build a stronger, healthier and more supportive community.
Everyone is welcome!
